This, the Director said, should apply to all future memoranda prepared on conversations, interviews, etc., with VIP's, and asked DD/I [redacted] for the Vice President where his name appears in the memorandum prepared of his report to the NSC. In connection with the memoranda prepared by [redacted] on conversations held with Ambassador Luce, the Director asked [redacted] to: (1) go through these and set forth for his consideration any action required on the part of CIA; (2) dispatch a cable [redacted] pointing out that we assume Ambassador Luce will report on her conversations here in Washington, and in the meantime Headquarters is forwarding a report of discussions held with Mrs. Luce. The Director said this report should be a sanitized version of those submitted by [redacted]

e. Noted an article in a recent issue of the SATURDAY EVENING POST pertaining to Italy and how the Communists steal elections, and asked DD/P to consider a follow-up piece which would indicate the Communists' ability to do the same thing in other countries.

f. Stated it had been suggested to him that General Bradley prepare an article for publication on EDC from the "soldier's viewpoint", and asked [redacted] to find out when General Bradley would next be in Washington -- at which time he (DCI) will speak to him about this.

g. Referred to a proposed assignment of one of our officers whose wife is a foreign national and stated that: (1) no further consideration would be given to this particular assignment; (2) employment of personnel with spouses who maintain foreign citizenship would be passed on personally by him. In connection with the above case, the Director asked Colonel White for a report in this particular instance.
